## Verse 1

Wandering into the night wanting a place to hide  
This weary soul this bag of bones  
I try with all of my might  
But I just can't win the fight  
I'm slowly drifting a vagabond

## Misc 1

### (Pre-Chorus)

And just when I ran out of the road  
I met a man I didn't know  
And He told me that I was not alone

## Chorus 1

You picked me up You turned me around  
And placed my feet on solid ground  
I thank the Master I thank the Savior  
Because You healed my heart You changed my name  
Forever free I'm not the same  
I thank the Master I thank the Savior I thank God

## Verse 2

I cannot deny what I've seen  
Got no choice but to believe  
My doubts are burnin' like ashes in the wind  
So so long to my old friends burden and bitterness  
You can just keep them moving  
Nah you ain't welcome here

## Misc 2

### (Pre-Chorus)

From now till I walk streets of gold  
I'll sing of how You saved my soul  
This wayward son has found his way back home

## Misc 3

### (Bridge)

Hell lost another one I am free I am free I am free

### (REPEAT)

Hell lost another one I am free I am free
