

**Reckless Love**

Culver, Asbury, Jackson | CCLI #7089641

**BPM 83****➤ INTRO: 6 / / / / / | 5 / / / / / | 4 / / / / / | 1 / / / / / | x2**

**6**                    **5**  
Before I spoke a word  
                       **4**  
You were singing over me

| Verse 1

**6**                    **5**                    **4**  
You have been so, so good to me

**6**                    **5**  
Before I took a breath you breath Your life in me

**6**                    **5**                    **4**  
You have been so, so kind to me

**6**                    **5**  
*Oh, the overwhelming, never-ending*  
**4**                    **1**  
*Reckless love of God*

| Chorus

**6**                    **5**  
*O, it chases me down, fights till I'm found*  
**4**                    **1**  
*Leaves the ninety-nine*

**6**                    **5**  
*I could earn it I don't de- serve it*  
**4**                    **1**

*Still you give yourself a- way*

**6**                    **5**  
*Oh, the overwhelming, never-ending*  
**4**                    **1**  
*Reckless love of God*

**➤ INTERLUDE: 6 / / / / / | 5 / / / / / | 4 / / / / / | 1 / / / / / | x2**

When I was your foe  
Still your love fought for me  
You have been so so good to me  
When I had no worth  
You paid it all for me  
You have been so so kind to me

**➤ CHORUS****➤ INTERLUDE: 6 / / / / / | 5 / / / / / | 4 / / / / / | 1 / / / / / | x2**

**6**  
*There's no shadow You won't light up*

| Bridge 1

*Mountain You won't climb up coming after me*

**6**  
*There's no wall You won't kick down*

*Lie You won't tear down coming after me*

**6**                    **5**  
*There's no shadow You won't light up*  
                       **4**                    **1**

*Mountain You won't climb up coming after me*

| Bridge 2

**6**                    **5**  
*There's no wall you won't kick down*  
                       **4**                    **1**

*Lie you won't tear down coming after me*

**➤ CHORUS****➤ OUTRO: 6 / / / / / | 5 / / / / / | 4 / / / / / | 1 / / / / / | x2**
